FROM THE MANAGER'S DESK

Gabriele Umbel, Manager

March went out like the proverbial lion this year with severe storms and a bit of damage to some homes and common areas...and then came a few April showers... May should be back to our usual nice Florida weather...lots of sunny pool and golf course days.

Many residents have been busily working on fixing up their homes and home sites. Most of the landscaping already looks much better than it did a few weeks ago, but in some cases there still is room for improvement. We are going around making home and site inspections and sending reminder notices. If your lawn needs to be replaced because it is nothing but weeds, please do it before your weeds or insects infest your neighbor's homesite. Everyone is responsible to take good care of their own home to ensure that our beautiful community continues to look its very best! When each of us does our part we make a huge difference! Remember one of the slogans of the '60s...The sum total of the whole is greater than its parts...We can see it in some neighborhoods where everyone works on keeping things beautifully maintained. Take a drive and look around...some wonderful things are happening in the community.

Before you go north for the summer or even for a visit that takes you away from Water Oak for a while, please remember to make arrangements with a trim/edge/weed and spray service to take care of the landscaping for the time you are gone. Once the weeds or the chinch bugs have taken hold, they are difficult to eradicate, as most of you know well.

Sun Homes at Water Oak News:

The Sales Office is moving to the Model Center...did you know??? If you drive in the 441/27 gate, you have watched the construction and how much progress it has already made. We should be finished soon and hopefully, we'll be able to move into the new digs in late May. If you know someone who'd like to live across from the clubhouse, right in the middle of the action, I am sure we can make a deal.

There have been some Sales Staff changes and for those of you who have not yet heard, Brady Schoonover is our new Sales Manager. He hails from Pennsylvania, where he was in real estate, running his own company for a while, as well as contributing his talent running a family logging business. Stop in and say hello if you have a chance, or wave to him when you see him out and about the community.

Susan Yates and Karin Roosa are our new Housing Consultants who will be glad to assist you in marketing and selling your home. Susan's brother recently purchased a home in our community and she was so impressed that she asked me during the closing if I would consider giving her a job if one came up...and many of

you know Karin, who is a long time resident and used to work in Security. MJ has not yet forgiven me for taking one of her staff members... Beverly remains our mainstay in the sales office, and at this point also handles the rental referrals, so if you want to rent your home during the season, let her know...the waiting list is always long on people who want to rent and short on available properties.

Congratulations!!!! This was a Championship Season for our Water Oak Softball Team, AKA Division II Champions! Congratulations and cheers are due all around. What a great season you all had!

And, the Water Oak Quilters were afforded the great honor of being presented with the flag flown by the Florida National Guard Unit known as Alpha Company over Camp Virginia in Kuwait. Our quilters had provided quilts to the children of the unit before deployment and supported the families during the deployment. Another great example of how caring our Water Oak residents are!

WATER OAK ESTATE HOMEOWNERS' ASSOCIATION
LEN CONTARDO, President

For our regular meeting on May, 26 at 7:00 PM in the Satellite Clubhouse, Gus Kornegay, from SECO will discuss Hurricane Preparedness. All residents are invited to hear his presentation. Residents who will be leaving Water Oak till the fall are asked to prepare your homes in case of severe weather. Please remove any outdoor objects from your driveway or garden which could become airborne in heavy winds. Alert a neighbor to replace your lamp post light if needed. Notify the office of the date of your leaving and who to contact in case of an emergency such as a falling tree or wind damage to your home. Cancel your newspapers and forward your mail. Forms are available at each mail station for delivery changes. Prepare an up-to-date inventory of the contents of your home and leave a copy in your safe deposit box or take it with you. A video or multiple camera shots are a good idea. Have a copy of your homeowners insurance policy with you in case any severe damage to your home occurs while you are away. These are a few suggestions and others will follow at our meeting.

Many thanks to Arlene Volat for her work as a director. She has resigned from the board but will continue to work on Membership and Welcome with her committee. We will continue to look for volunteers to work with the Community Emergency Response Team . Please let any director know of your interest.

Our May meeting will be the last general meeting until the fall. Your board will meet during the summer and as needed. If there are any issues which we need to discuss related to Chapter 723 or park problems please let any director know of your concern.

Anyone wishing additional information on this program can call Dave Verhagen at 259-4434. Any, and all, donations will be gratefully accepted and directed to the program.

Our Memorial Day service will be held on May 30, at 11:00 am at he Veterans' memorial by the Main Clubhouse. All Veterans, past and present, will be honored there. "All gave some, some gave all!" Please plan to join us to remember those who stepped up to protect our country.

WATER OAK VAGABONDS TRAVEL CLUB

Donna McGlone

On May 10th our Switzerland group will meet for a wine and snack party at 7PM. Bring any lingering questions about what to pack, what adaptor to bring, Swiss francs vs. credit card exchange rates, converting your cell phone to an international plan before you go, or what cheese can I bring back that will not stink up our Swiss Air flight. We will have a scale present if you wish to weigh your luggage in the driveway before you get to the mean agent at the travel desk that makes you unpack your check in and transfer your cute undoes to your carry on in front of 984 strangers..Call Donna 617-943-5960 or Mary LaNoce 750-5960 to RSVP.

After viewing 548,000 varieties of sheep in Republic of Ireland and Northern Ireland, our tour learned that a bag of wool was now only worth one Euro, the color patterns on the back of the wool does not mean it will become a green sweater if it has a green dot, an the crayon down the middle of the back means the ewe would have a big red A in another time and culture. "What do you call the black faced sheep with the black hooves? - Lunch). One of the greatest trips I have ever taken and thanks to the former traveler who recommended the travel agency to me. Keep those suggestions coming. We will have our next open meeting in September.

SINGLES CLUB

Barbara LeBlanc and Donna McGlone, co-presidents

This will be our last "formal" meeting until fall (we will adjourn this summer to monthly meetings poolside as the sundial salutes three pm). We will meet at the SCH at 1PM on Monday, May 2nd—plase bring your calendars. Since May is the month for Mother's Day, Gloyd Ayers will be leading the refreshment committee for this meeting.

On Monday, May 9th, we will meet at the SCH to carpool with Nancy Benjamin to Sweet Tomatoes at 11 AM. On Tuesday, May 31st, we will again leave from the SCH at 10:30 AM for a movie and lunch.

Thanks to everyone in the Singles Club who rode "secretariat" for a fun event that we hosted for the CSA. It is truly amazing to see how fast the SCH got returned to order and how well everyone worked together. For those returning to summer traveling, safe passage. For Ruth, Jeanne, Linda and Betty—continue to get better.

MICHIGAN/OHIO CLUB

This has been a pretty exciting month for our club and members. We have completed a lot of activities together and had a great time. We did get a group picture taken which will be submitted to Cheryl Williams for our Water Oak Directory. We had a lot of volunteers turn out for the potluck the end of March and that went very well. The April coffee also went well. We only had 3 members show up for our golf cart event so it was canceled until the Fall. At that time, we will open it up for anyone living at Water Oak that would like to play. We will give out cash prizes at that time. We will probably do a couple smaller things throughout the summer. I will give people phone calls to see if they want to participate at that time. Thanks for everyone's enthusiasm and participation this past season. Call Linda Cook at 352-430-3900 for information about becoming a part of the Michigan/Ohio Club.

Well, our year has finally come to an end, that is our "Season". Snowbirds are heading north for the summer. Safe trip to all and a healthy summer.

We had a nice time at the Silver Cricket Dinner Theater. There were 42 of us that went. I think we all enjoyed it and hopefully we can so it again next year.

Our final fling for the year was a BBQ catered by the Oakwood Smokehouse Grill. We had a few hitches. When I went to pick up the cake at 2:30 they had no record of the order. Yikes! We needed it by 5:30. Well they managed to make one and deliver it at the SCH at 4:30. Then the dinner was to arrive at 5:30 and that didn't happen. Another Yikes! We had 85 hungry people! After a few phone calls they finally got it there by 6:30 ! We ended up eating our cake while we waited. I guess that way we made sure we saved room for dessert! After all was said and done it all worked out and once everyone was fed they were happy.

We will resume activities again in October. Those that are here can get together for coffee and think about outings they would like to do the following year. I'm interested in the Bay Street Players in Eustis again and the Silver Cricket if they do Dinner Theater. Another one I will look into is the Lakeridge Winery. Sound good? Let's so some brainstorming and find some fun things to do.

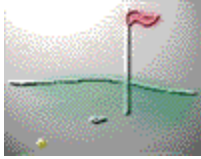

I think John and I will be a little late getting back as we want to stay for the Syracuse/West Virginia football game on October 22nd.

See you in the Fall!!!

A Simple Message From Your Pet

by Ken D. Conover

To have loved and then said farewell is better than to have never loved at all. For all of the times that you stooped and touched my head, fed me my favorite treat and returned the love that I so unconditionally gave to you. For the care that you gave to me so unselfishly. For all of these things I am grateful and thankful. I ask that you grieve not for the loss but rejoice in the fact that we lived, loved and touched each other's lives. My life was fuller because you were there, not as owner, but as my friend. Today, I am as I was in my youth. The grass is always green, butterflies flit among the flowers and the sun shines gently down upon all of God's creatures. I can run, jump and play and do all of the things that I did in my youth. There is no sickness, no aching joints and no regrets and no aging. We await the arrival of our lifelong companions and know that togetherness is forever. You live in our hearts as we do in yours. Companions such as you are very rare and unique. Don't hold the love that you have within yourself. Give it to another like me and then I will live forever. For love never really dies, and you are loved and missed as surely as we are.

Your pet in heaven.
