Sponsored by your Community Services Association

From The Manager's Desk:

Welcome Back Snowbirds...It has been fun to see many of you stop at the office to say "Hello, We're Back...What's new?" We love to hear the stories of your grandkids' graduation, the weddings you enjoyed and the wonderful time you had "up north"...and how glad you are to be back.

So many activities have already started up again and lots more are slated to start shortly. If you have new neighbors, please stop by to say hello and invite them to join you in one of those activities. Sales have definitely picked up this year based on the number of nice new neighbors we have added to our community. The bulletin board in the community office has started to look crowded again...take a look and you may find your new neighbor's smiling faces.

Softball...I never knew how much fun it could be to watch and play. If you missed the "Challenge Softball Game" in September, please join us in April or May... we'll do it again when the weather is not so hot. Water Oak Staff vs a well practiced and well trained Resident Team...with cheerleaders, pompoms, hot dogs, sodas and friends in the park and a performance of "YMCA" with participation by everyone!! The crowds parked their carts 2 and 3 deep, dropped off a food bank contribution and enjoyed an afternoon under the trees.

My thanks to Dave Sparrow and his fabulous Water Oak team for not killing us...they could have, I am sure, although April and Stephanie played very well, as did Judy (maintenance) and Tammy. The guys also acquitted themselves well...although, Rick had a few challenges, not the least that the field rose in front of him...We took lots of pictures...look for them in the lobby of the main clubhouse.

My thanks also to the guys who took over the grill when Rick, our designated BBQer had to join his team on the field. You did a great job keeping everyone in hot dogs! And to everyone who joined in the fun, who helped coordinate it, kept it running, officiated, threw balls, not making it too difficult for the Water Oak Staff...the announcer, the DJ, the photographers... Thanks for your enthusiastic participation. See you in the spring for another game. Oh, and the score was 9 all...

Lots of building activity going on in the community. If you are living next door or across the street to the construction, thanks for your patience. We should be done soon and will find you great new neighbors. Remember that we are still paying referral fees...quite a few people have received their \$1,000 in recent weeks.

Take a look at the "Do we Owe you \$\$\$?" ring binders in the clubhouses. If you have overpaid your monthly

fees, the credit will be listed in the book. Please subtract it from your next payment. Thanks.

And finally, please remember to bring "a bag, a box or a can" of food for the food banks to the office when you drop off the rent. Several recent newspaper articles reiterated the urgent need for more contributions to the food banks. Water Oak residents have been very generous for many years now. Thank you for continuing the tradition, especially with the holidays approaching.

**WATER OAK ESTATE HOMEOWNERS ASSOCIATION**

**Len Contardo, President**

The next meeting of the Homeowners Association will be on Thursday, December 8th in the Satellite Clubhouse. A representative from Sam's Club will present a program on how members of the homeowners can take advantage of a special offer from the club.

Since Water Oak does not have their road signs at the legal size the Lady Lake Police Department can not issue citations for such violations as failure to stop at stop signs or for speeding. It is your responsibility to use good judgment and follow the correct rules of the road. Please report any obvious infractions to the office especially for those maintenance companies that are working in our park.

Mary LaNoce and Al Monteleone have agreed to serve on the nominating committee for the Homeowners 2012 election of Directors. If anyone is interested in serving on the board of directors, please contact them directly.

Chris Trainque has agreed to complete her term as our Secretary for which we are very grateful.

If you have any corrections for the Water Oak Telephone Directory please write a note to the Homeowners Association including your name, address, lot number and correction and place it in the Homeowners mailbox in the main clubhouse.

REMINDER: Many homes do not have their house numbers visible from the street. Please insure that in an emergency the EMTs can locate your home. Also too many homeowners are forgetting to replace their burned out lamp post bulbs. It is a safety factor to have well lighted areas in the park. Please cooperate.

Once again our super cooks prepared a feast for the hungry Water Oak residents on October 15<sup>th</sup>. Chris Trainque, Donna McGlone, Mickey Le Clerc and Lynne Nastazio exceeded themselves and prepared delicious meals for our guests. Once again our bakers came through with the best goodies. What would we do without the help from Larry and our Vets, Froggy, Walter, Regis, Dave, Sonny and all the guys who help us out. We presented a check for \$1000.00 to Operation Shoebox to defray the cost of their mailing Christmas Stockings to our troops.

Perhaps some of you are aware that there is a bill in Washington that was defeated by ONE vote to amend the Constitution so nobody could desecrate our flag. I wrote to Marco Rubio and Cliff Stearns to implore them to again bring the bill forward so it would be a crime to desecrate our flag. I appeal to all of our residents to write to: Senator Marco Rubio - D40A Dirksen Building - Washington, DC 20510 and Congressman Cliff Stearns - 2305 Rayburn Building - Washington, DC 20515. We must make it against the law to desecrate the American Flag, the symbol of all that is good in this Country. I also wrote a letter to the Editor of the Village Paper urging all the readers to do the same. For detailed information go online and read all about this failed bill and the absurd reasons, in my opinion, for it not being passed. We need to take action when all we respect is treated like garbage by a few protesters.

Come join us for our Spaghetti Dinner, catered by our own Chef De Maria. The scent of meatballs and sauce is enough to make you drool just like pasta fagioli that's amore.

My heartfelt thanks to the Softball Association for their more than generous collection of food for our area food banks. It looked like everyone in Water Oak came out to see the residents play against the employees and it was the best fun at the ballpark in a long time. If you missed it maybe they will try again. We also received their portion of the 50-50 raffle. What a great group, the need is so great and they are going all out to help. Thank you all.

The residents continue to bring items to the office for the food bank and it is greatly appreciated. Thanks to you all.

Don't forget to come to our November 2nd meeting at the SAT. Next month the luncheon will be on December 14th. We will meet at 11:00 at the SCH.

God bless our troops and keep them safe from harm.

A meeting is scheduled for November 9, 2011 at 1:00 pm at the Satellite Club House so we may address any and all concerns you may have which we can take back to the Lake County Democratic Executive Committee to resolve and get answers for you. At the meeting we will have sign up sheets- so we can give you a ride (if you need one) to the Main Club House so you can vote and sign up sheets if you need help filling out an absentee ballot or a mail in ballot. It is our pleasure to offer you the opportunity to hear Mr. Joe Flynn speak about the Obama Affordable Medical Care Act passed earlier this year. Hello Returning Snowbirds

I have been gone since April so I really am not updated as to what has been happening at Water Oak this past summer. I know that we have lost some good friends who have moved out of the area, however, I know that we gained a lot of new friends that have moved into the area.

I will be contacting you all soon for a quickie meeting and to try and get some plans together for this winter.

All of a sudden we are approaching the holidays, sure comes up fast. All of us at Creative Needles wish you all a Happy Thanksgiving. Please note we will have that day off. Thank you for all your support we really appreciate it.

October was a very busy time for our group, not only did our "Snow Bells" return but brought back baskets of made items. I wonder if they had a chance to enjoy the summer! This is also the time we start giving all our wonderful items away.

Florida Hospital, Waterman/LRMC, Leesburg/"Ocala Forest"/Arnold Palmer & Winnie Palmer Hospital, Orlando/several rehabs and infusion centers, that is just for starters.

We also had the pleasure of hosting the October Pot Luck Supper. Thank you to all that came and worked, I think it was one of the best ones in recent times. We also hosted Movie Night, if you did not come you missed a very good movie.

November is "Craft Fair" and that means we will be set up in the lobby selling raffle tickets on one of our special afghans, please come by and say hello and take a chance. It would make a nice gift!

Our November- Monday sewing nights will be the 14th & 28th. We have had some new people join us and it has been wonderful so if you want to come meet some wonderful people come join us, bring scissors or rotary cutter.

The regular Creative Needles day is Thursday from 1 to 3 pm, just bring a smile and we will supply the rest.
